

"Be Snug" with **pink batts** and save big money

Customer Request for Assessment Form
- Return to your merchant

Can I please have a "Be Snug" assessment?

Name: _____

Address: _____

Town: _____ Post Code: _____

Phone: 0 _____ Mobile: 0 _____

This dwelling was, to the best of my/our knowledge,
originally built before 1 January 2000.

I am interested in insulation

**A one-off grant of 33% off the costs
of retro-fitting ceiling and underfloor
insulation, up to a maximum of \$1,300 (incl. GST).**

This is your chance
to make your home
warmer, more
energy efficient,
healthier and save
big money in the
process. And this
is how it works:

Take this request for assessment
form along to the nearest participating
building merchant (visit www.pinkbatts.co.nz
for a list of merchants).

The merchant will get a PinkFit® installer to
give you a call. The installer will arrange a
time to come to your home, give it a "Be Snug"
assessment and provide a quote for the job.*

You then take the quote to the
merchant and make your payment,
less the ENERGYWISE™ grant,
which could save you up to \$1,300!

PinkFit® will then contact you and make a time to
install the Pink® Batts® insulation in your home.
From time to time EECA (and PinkFit® or their
agents) will visit to check your home for quality
assurance auditing.

Enjoy a cosier, healthier home and
make big savings on energy costs.

*PinkFit® will call you within five working days to arrange a suitable time to come and
check your home. The check takes around half an hour and depending on where you live
and your own commitments it may take up to four weeks for the check to be completed.
Once you have a paid for the job it may take up to four weeks for installation.
